in <https://www.linkedin.com/in/hayleetk/>

📁 [haylee430.github.io/2020\\_portfolio](https://github.com/haylee430/2020_portfolio)

Creative and effective young professional who thrives in a fast paced and collaborative environment. Enjoys simplifying complicated problems, collecting data, and designing strong client side applications. Interested in how design and technology compliment each other and create an extremely powerful tool when combined.
